

IMPORTANT INFORMATION TOWING POLICY

July 10, 2019

Dear John's Landing Owners and Residents:

EFFECTIVE JULY 22, 2019, the Board of Directors will be enforcing the NO overnight street parking rule. Any vehicle parked on the street between the hours of 1AM and 6 AM will be towed at the Owner's expense. This will be the only notice that you will receive regarding overnight parking. Additionally you are not allowed to park your vehicles on empty lots in the community. The only place you are allowed to park is in your garage or your driveway.

During the day, if you are parked on the street, please be considerate and do not block any driveway, park too close to any driveway, or park in front of the mailbox. Please park on one side of the street so that a large truck or emergency vehicle can have easy access.

If your vehicle gets towed please contact the towing company direct, their information is as follows:

Car Store of West Orange

Office: 407-656-2624

Email: carstoretowingoffice@gmail.com

**Thank you for your cooperation,
